Vision & Mission

Vision:

To become a leading steel manufacturer and industrial EPC in the Middle East and North African (MENA) region. We aim to achieve this by delivering long-term stakeholder value through profitable and sustainable growth.

Mission:

IBSF aims to form partnerships resulting in innovative, cost-effective, and quality construction, exceeding our customers' expectations in a safe environment. In order to attain all our goals and objective, we lead a culture of excellence where loyalty, talent, creativity, open communication as well as integrity are our core values.

Our Group |

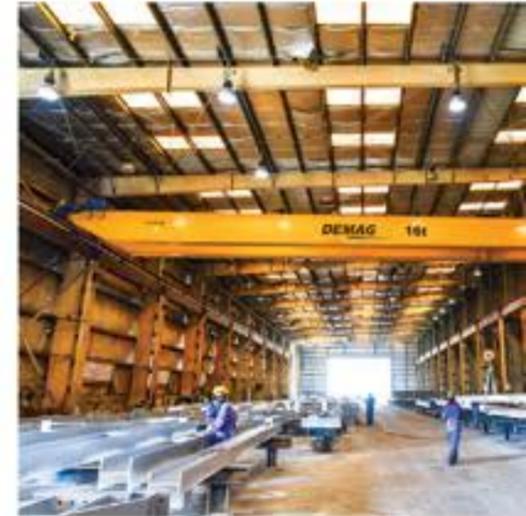

- Astra Industrial Group (AIG) is a diversified Saudi industrial holding company operating through autonomous companies including IBSF.
- Founded in 2006 and headquartered in Riyadh, Saudi Arabia.
- Listed on Saudi stock exchange "Tadawul" since 2008.
- The business of AIG defined in multi companies committed to delivering intelligent, reliable solutions across a vast range of industries.

Our Group

Who we are

Founded in 1993 as Steel Fabricator & Erector (Pre-Engineered Building & Structural Steel), since then International Building Systems Factory grew to be one of the leading and reputed international organizations that was incorporated with a vision to meet the ever-growing demand within the Oil & gas, Power, Construction, Commercial and industrial sectors.

We provide complete solutions including: Design, Fabrication and Erection of high-quality steel products for mega projects in diverse domains: Oil & Gas, Industrial, Power, Infrastructure, Commercial, and other projects.

IBSF has extensive capabilities in all aspects of steel fabrication & erection; our core business includes:

- Structural Steel
- Pre - Engineered Buildings
- Platework
- Cladding Material & Accessories
- Commercial & Industrial EPC Capacity
- Mechanical Work
- Modular Steel Buildings
- Steel Erection

Our Strength

We gained our prominent reputation as major structural steel and platework fabricator in Saudi Arabia and GCC countries through long years of experience and enormous number of successful projects.

Our Competitive Edge

- Strategically located facilities in KSA at Riyadh and Jubail with a total capacity of 5,500 ton / month.
- More than 10,000 of successfully executed projects in over 36 countries.
- Our commitment to quality through ISO 9001, ISO 14001, ISO 45001, AISC, & ASME certificates.
- More than 29 years of experience with strong support from our parent group AIG.

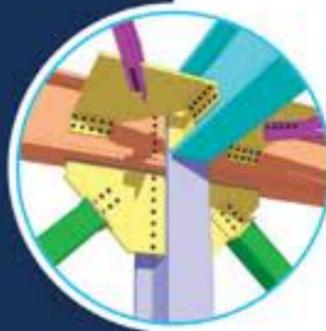

Our Engineering

Our highly qualified engineering team provides full engineering services and solutions with professional output in addition to most optimized and cost-effective designs.

- Our engineering team includes over 50 staff in 3 Engineering Offices conveniently located in Saudi Arabia, Jordan, and Palestine.
- Equipped with latest versions of design and detailing software (STAAD, MBS & RAM Connection, AUTOCAD, Tekla X-Steel, & Revit).
- Apply the standards, specifications, and details all in accordance with the international codes and project requirements.

Our Engineering

Our Products

Structural Steel

At **IBSF**, fabrication of structural steel is carried out in our facilities in state-of-the-art facilities in Riyadh and Jubail by our experienced and highly qualified engineers, fabricators, and welders. Equipped with latest CNC machines conforming to highest international standards.

Lines of expertise

- Structural Steel Buildings
- Pipe Racks
- Equipment Support Structures
- Built-up Profile
- Platforms
- Miscellaneous (Handrails, Ladders, Safety gates)

Pre-Engineered Steel Building (PEB)

Pre-Engineered Steel Building (PEB)

- For over 30 years, IBSF has been designing, manufacturing and installing the most versatile and durable building solutions. The IBSF Pre-Engineered Building can be built to any size, no matter how big, and has been utilized across dozens of industries for many different applications.
- Our economical and efficient building techniques help produce quality products that precisely match customer needs. Our computer aids design techniques eliminate wastage of expensive materials and enhance your building performance. Consult IBSF Sales team for your specific requirements.

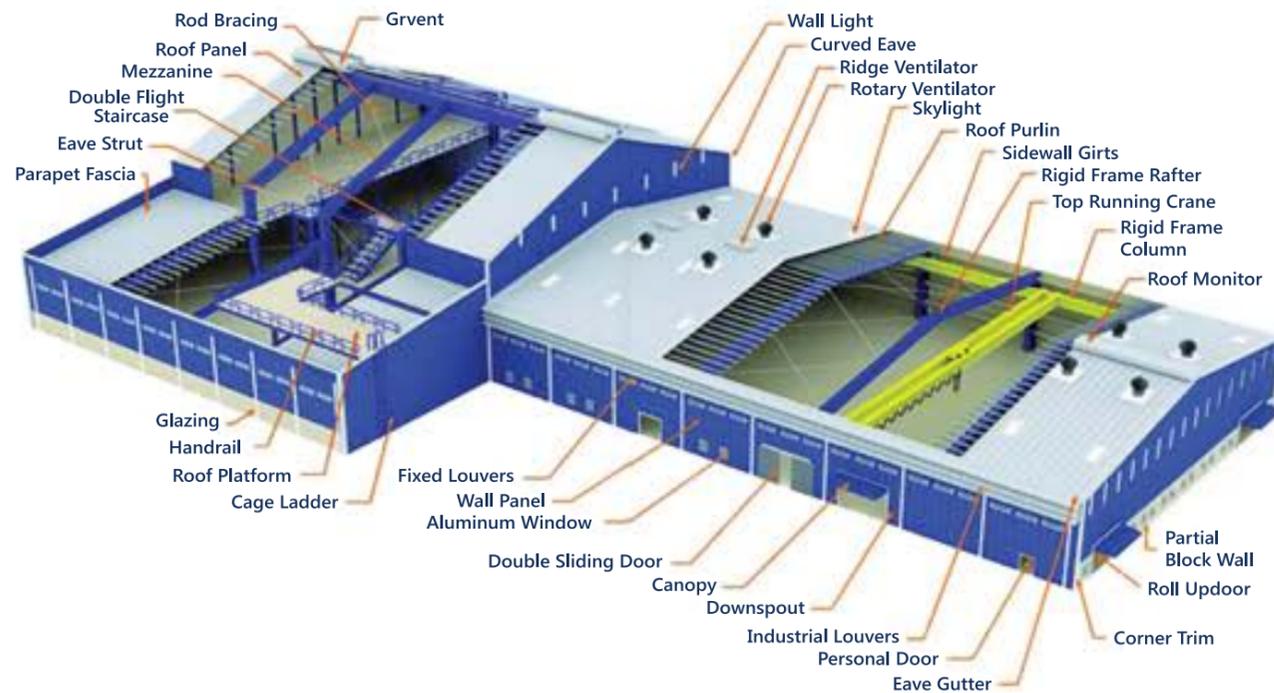

• Applications:
Whatever your application, our team of skilled structural engineers will design and engineer cost effective building systems.

Below are some of Pre-Engineered buildings applications:

- Industrial Buildings
- Warehouses
- Aircraft Hangars
- Showrooms
- Super Markets, Hyper Markets
- Office Buildings and Labor Camps
- Dairy Farms
- Workshops

PEB-Structural System

Structural Steel - Commercial

• International Building Systems Factory has evolved as a leading company for the landmark, prestigious and iconic projects in the region. The true testimonies of our commitment for safety, quality, cost, and time are reflected in our numerous projects with satisfied clients.

• As a Class-A Contractor for various public authorities, International Building Systems Factory consistently delivers complex projects that exceed client expectation.

• From conception to completion, International Building Systems Factory is your one stop shop for pioneering and quality construction solutions.

Urban Construction

- Shopping Mall
- Cinema / Theatre / Auditorium
- Sports Club & Facilities
- Mega Urban Development
- Theme Park & Water Park
- Stadium

Utilities

- Infrastructure
- Water Distribution Network
- Sewerage / Solid Waste Treatment Plant
- Water Desalination Plant
- Pumping Station

Industrial

- Chemicals and Specialty Materials Plants
- Consumer Products Plants
- Industrial Products and Services Plants

Transport

- Port & Harbor
- Airport
- Stations
- Maintenance facilities

Construction Capacity

Our Construction Division

- 100+ Core staff with flexibility to add any manpower as per project requirement
- Highly skilled manpower quantitative and qualitative
- Ability to avail different resources required for the project
- Flexible to fit and work in line with the master schedule of the whole project
- Result oriented, fully committed with strong planning

Platework Fabrication

IBSF has experienced manpower and heavy equipment to fabricate and to carry out pre-assembly & assemblies of platework in its facility in Jubail and its open yard. Our products of platework include (but not limited to):

- **Ducts:** Circular and rectangular ducts for power plants, O&G, and other industrial projects.
- **Stacks:** for power plants, refineries, petrochemical plants, etc.
- **Casing:** with or w/o insulation for HRSGs, boilers, diverters, etc.
- **Radiant Panels & Boxes:** such in furnaces, heaters, reformers, etc.
- **Silos, Chutes, Hoppers:** for different industrial plants.
- **Built-up sections:** for girders, cantitravel, special beams, etc.

Our Major Projects

Oil & Gas / Structural Steel

Project:

- Marjan Increment Program - Pkg 12

Owner/Contractor:

- Saudi Aramco / Hyundai E & C

Scope:

- Supply of structural steel

Country

- Saudi Arabia

Quantity :

- 21,000 Ton

Project:

- Haradh Gas Plants (N-GCP & S-GCP)

Owner/Contractor:

- Saudi Aramco / Tecnicas Reundas

Scope:

- Supply of structural steel

Country

- Saudi Arabia

Quantity :

- 6,500 Ton

Project:

- GC-32 New Gathering Center

Owner/Contractor:

- Kuwait Oil Company / Petrofac

Scope:

- Supply of structural steel

Country

- Kuwait

Quantity :

- 5,100 Ton

Our Major Projects

Oil & Gas / Structural Steel

Project:

- Fadhili Gas Plant - Pkg 1

Owner/Contractor:

- Saudi Aramco / Tecnicas Reundas

Scope:

- Supply of structural steel

Country

- Saudi Arabia

Quantity :

- 16,150 Ton

Project:

- Jazan Refinery Pkg 4

Owner/Contractor:

- Saudi Aramco / CCC

Scope:

- Supply of structural steel

Country

- Saudi Arabia

Quantity :

- 2,000 Ton

Project:

- Hawiyah Gas Plant Expansion: Phase II

Owner/Contractor:

- Saudi Aramco / Tecnicas Reundas

Scope:

- Supply of structural steel

Country

- Saudi Arabia

Quantity :

- 4,000 Ton

Our Major Projects

Petrochemical / Structural Steel

Project:

- Ruwais Refinery Expansion - Pkg 3

Owner/Contractor:

- TAKREER / Samsung Engineering

Scope:

- Supply & Erection of structural steel

Country

- UAE

Quantity :

- 3,100 Ton

Project:

- Arzew Fertilizer Complex - Bulk Urea

Owner/Contractor:

- Sonatrach / Deawoo & MHI JV

Scope:

- Supply of structural steel

Country

- Algeria

Quantity :

- 2,800 Ton

Project:

- SHARQ (LLDPE & HDPE) Plant 4

Owner/Contractor:

- SHARQ (SABIC) / Linde

Scope:

- Supply of structural steel

Country

- Saudi Arabia

Quantity :

- 10,000 Ton

Our Major Projects

Industrial / Structural Steel

Project:

- Umm Wu'al DAP/NPK & Storage

Owner/Contractor:

- Ma'aden / Intecsa

Scope:

- Supply & Erection of structural steel

Country

- Saudi Arabia

Quantity :

- 3,000 Ton

Project:

- Ma'aden Aluminum Project

Owner/Contractor:

- Ma'aden / Samsung

Scope:

- Supply & Erection of structural steel

Country

- Saudi Arabia

Quantity :

- 3,000 Ton

Project:

- South West Gas Fields Development- SWGFD

Owner/Contractor: SONATRACH

Country: Algeria

Quantity: 1,000 MT

Scope: Design, Engineering, Fabrication, and Assembly of Modular Steel Buildings- Complete turnkey work of 48 Modules

Our Major Projects

Industrial / Platework

- Project:**
- Potline 6 Project - GTC SMPP
- Owner/Contractor:**
- ALBA / Fives Solios
- Scope:**
- Supply of Platework
- Country**
- Bahrain
- Quantity :**
- 3,500 Ton

- Project:**
- Astra Mining Plant
- Owner/Contractor:**
- AIG / Astra Mining Co.
- Scope:**
- Supply & Erection of Platework
- Country**
- Saudi Arabia
- Quantity :**
- 1,500 Ton

- Project:**
- Steel Melt Shop
- Owner/Contractor:**
- Al Anmaa Co. / Tanmiya
- Scope:**
- Supply of Platework
- Country**
- Iraq
- Quantity :**
- 3,700 Ton

Our Major Projects

Power Plants / Structural Steel

- Project:**
- WAS - ISCCPP (GTG Building)
- Owner/Contractor:**
- SEC / Intecsa
- Scope:**
- Supply & Erection of structural steel
- Country**
- Saudi Arabia
- Quantity :**
- 2,200 Ton

- Project:**
- Green Integrated Solar CCPP
- Owner/Contractor:**
- SEC / INITEC Energia-SSEM
- Scope:**
- Supply & Erection of structural steel
- Country**
- Saudi Arabia
- Quantity :**
- 2,200 Ton

- Project:**
- Yanbu 3 - G.T. & Turbine Buildings
- Owner/Contractor:**
- SWCC / CCC
- Scope:**
- Supply & Erection of structural steel
- Country**
- Saudi Arabia
- Quantity :**
- 6,000 Ton

Our Major Projects

Commercial

Project:

- Riyadh Boulevard Project (Time Square)
- Owner/Contractor:** SELA
- Country:** Saudi Arabia
- Quantity:** 3400 Ton

Scope:

- Supply, fabrication & installation of structural steel.
- Execution of Time Square 1 and Time Square 2 including 12 Buildings.
- Finalizing all EPC works within 118 days

Project:

- Maraya Al Ula Project / Festival Hall and Cultural Centre
- Owner/Contractor:** MAC MENA GROUP
- Country:** Saudi Arabia
- Quantity:** 3200 MT

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Project:

- Riyadh Boulevard - Rotana Hall.
- Owner/Contractor:** Constructors Force Contracting
- Country:** Saudi Arabia
- Quantity:** 1000 Ton

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Our Major Projects

Commercial

Project:

- King Khalid Airport Project, Riyadh
- Owner/Contractor:** RTCC-IC-ICTAS JV
- Country:** Saudi Arabia
- Quantity:** 2500 Ton

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Project:

- Riyadh Metro Line 3, Precast Facilities Project
- Owner/Contractor:** Ar Riyadh New Mobility
- Country:** Saudi Arabia
- Quantity:** 4500 MT

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Project:

- International Convention Center
- Owner/Contractor:** Al- Muhaidib Cont
- Country:** Saudi Arabia
- Quantity:** 4000 Ton

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Our Major Projects

Commercial

Project:

- Abi Bakr Assidique Steel Bridge

Owner/Contractor: Martifer Metalic Constructions

Country: Saudi Arabia

Quantity: 5,000 MT

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Project:

- King Abdullah Financial District

Owner/Contractor: Various

Country: Saudi Arabia

Quantity: 12,000 MT

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Project:

- King Abdullah Sport City, Sport Hall

Owner/Contractor: El Seif Engineering & Contracting

Country: Saudi Arabia

Quantity: 5,000 MT

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Our Major Projects

Commercial

Project:

- Riyadh Metro (Line 3)

Owner/Contractor: Riyadh Development Authority

Country: Saudi Arabia

Quantity: 2400 Ton

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Project:

- Princess Nourah University - Metro Stations

Owner/Contractor: El Seif Engineering & Contracting

Country: Saudi Arabia

Quantity: 2,500 MT

Scope:

- Engineering, Fabrication, Supply and Erection of Steel Structure.

Project:

- Wadi Al-Hada Residential compound

Owner/Contractor: Wadi Hanifa Real Estate Development Company "WaHa"

Country: Saudi Arabia

Quantity: 1000 MT

Scope:

- Engineering, Fabrication, Supply and Erection of structural steel Bridges

Our Major Projects

PEB

Project:

- Lucid Electrical Car Factory

Owner/Contractor: Al Bawani

Country: Saudi Arabia

Scope:

- Engineering, Fabrication, Supply and Erection of PEB

Project:

- Shuaibah Phase-1

Owner/Contractor: SWCC/Rawafid Industrial

Country: Saudi Arabia

Quantity: 1600 Ton

Scope:

- Engineering, Fabrication, Supply and Erection of PEB

Project:

- Duqm Refinery PKG 2

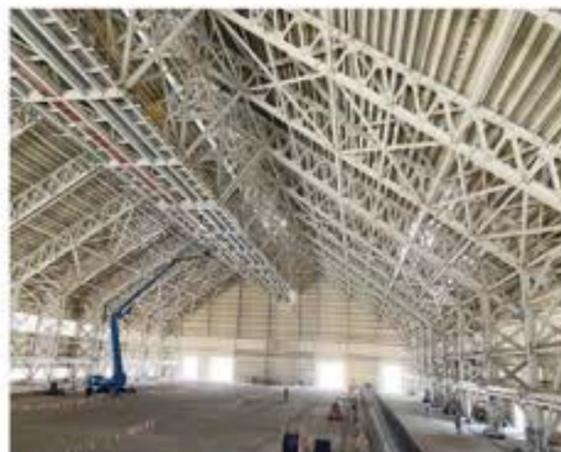

Owner/Contractor: PETROFAC

Country: OMAN

Quantity: 5,000 MT

Scope:

- Engineering, Fabrication, Supply, and Delivery of PEB & Structural Steel

Our Major Projects

PEB

Project:

- Middle East Paper Company: Mepco

Owner/Contractor: MEPCO

Country: Saudi Arabia

Quantity: 1000 Ton

Scope:

- Engineering, Fabrication, Supply, and Delivery of PEB

Project:

- King Salman Maritime Industries PKG(4&6)

Owner/Contractor: Saudi Aramco / SEPCO

Country: Saudi Arabia

Quantity: 16,000 Ton

Scope:

- Engineering, fabrication, supply, and delivery of PEB , The project represents a considerable design engineering challenge which contains 12 different buildings.

Project:

- ArcelorMittal Tubular Products Jubail

Owner/Contractor: ArcelorMittal Jubail

Country: Saudi Arabia

Quantity: 16,000 Ton

Scope:

- Engineering, Fabrication, Supply and Erection of PEB

Our Major Projects

PEB

Project:

- Titanium Sponge Plant

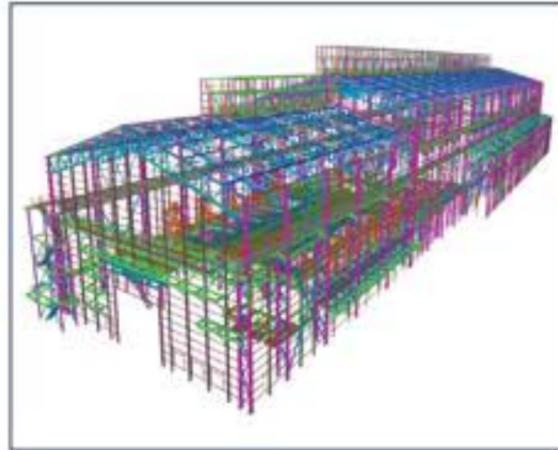

Owner/Contractor: CTCI / CHIYODA

Country: Saudi Arabia

Quantity: 1000 Ton

Scope:

- Engineering, Fabrication, Supply, and Delivery of PEB

Project:

- Amonia Urea Bulk Storage

Owner/Contractor: Samsung Engineering

Country: UAE

Quantity: 2100 Ton

Scope:

- Engineering, Fabrication, Supply, and Delivery of PEB

Project:

- M.Sharbatly Cold Storage

Owner/Contractor: OCC Weavers

Country: Saudi Arabia

Quantity: 1900 MT

Scope:

- Engineering, Fabrication, Supply, and Erection of PEB

Our Major Projects

PEB

Project:

- Jubail Export Refinery Project Pkg.#8

Owner/Contractor: SAUDI ARAMCO / SATORP / Gulf Contracting Co.

Country: Saudi Arabia

Quantity: 4400 Ton

Scope:

- Engineering, Fabrication, Supply, Delivery and Erection of PEB

Project:

- Tiles Factory

Owner/Contractor: Saudi Ceramic Co.

Country: Saudi Arabia

Quantity: 1500 Ton

Scope:

- Engineering, Fabrication, Supply, and Delivery of PEB

Project:

- United Steel Industries Factory

Owner/Contractor: Concept Engineering Consultants

Country: UAE

Quantity: 8000 Ton

Scope:

- Engineering, Fabrication, Supply and Delivery of PEB

Our Major Projects

PEB

Project:

• Qafco V-Bulk Urea Warehouse

Owner/Contractor: Snamprogetti

Country: Qatar

Quantity: 3500 Ton

Scope:

• Engineering, Fabrication, Supply, and Delivery of PEB

Project:

• Slaughter House - Mina

Owner/Contractor: Ministry Of Public Works/Al-Owaidah

Country: Saudi Arabia

Quantity: 7000 Ton

Scope:

• Engineering, Fabrication, Supply, delivery and Erection of PEB

Project:

• Precast Factories

Owner/Contractor: SANY Al-Ameriah Company

Country: Saudi Arabia

Quantity: 1,700 Ton

Scope:

• Engineering, Fabrication, Supply and Erection of PEB

Our Major Projects

PEB

Project:

• Jazan Refinery & Terminal Project pkg. #14

Owner/Contractor: Saudi Aramco / Hanwha Engg. Co.

Country: Saudi Arabia

Quantity: 1900 Ton

Scope:

• Engineering, Fabrication, Supply, and Delivery of PEB.

Project:

• KJO Warehouses

Owner: Al-Khafji Joint Operations

Country: Saudi Arabia

Quantity: 2100 Ton

Scope:

• Engineering, Fabrication, Supply, and Delivery of PEB

Project:

• Competitive Price Center - Makkah

Owner/Contractor: Competitive Price Center

Country: Saudi Arabia

Quantity: 1,100 MT

Scope:

• Engineering, Fabrication, Supply and Erection of PEB
